## Rescue Wars Online - Saving the Animals With Gaming

**Schedule: March 27th, 17:00 - 17:30 (CET)**

Not only does Niko help run Odsherred Zoo Rescue, he is also leading the development of an MMO game where all the profits and donations will go towards helping the animals. This Saturday you can learn more about

the game that he's developing, called Rescue Wars Online!

Playing as one of several fuzzy and peace-loving teddy bears, you must stop the Evil Coffee Machine from taking over Rescue City with its army

of roboticized wildlife. To learn more about the game, how you can play, and how you can stop the fiendish caffeine dispenser while also helping real life animals, be sure to not miss the stream. **(Miles)**

## Arcade Hangout

**Schedule: March 26th, 20:00 - 22:00 (CET)**

**Platform: Discord (audience), EmuVR (joining the session)**

This year NFC@Home has brought the arcade into our homes. Using EmuVR, game meister AoNekoAmaru has built a cozy virtual room filled with retro consoles and video games.

Every Friday during NFC@Home, AoNekoAmaru has been hosting hangouts on Discord where people can watch him play classic games or even join in on the fun through Parsec and Steam's Remote Play Together feature - like you're actually there with him.

AoNekoAmaru spent many long evenings digitising a large chunk of the retro collection you've all seen at NFC. Some of the titles he has played with the audience so far include Mario Kart 64, Bloody Roar 2, Hotshot Racing, and Final Fight LNS. Last Friday the room was filled with a spooky candle lit atmosphere as the theme was horror, but tonight you'll find a less spooky arcade focused on fun party games. **(Rexam)**

## Remember the charity raffle!

## Super Purrtail Royale

**Schedule: March 27th,  
14:00 - 15:30 (CET)**

Want to watch cute animals blowing each other up, accompanied by funny commentary by our very own Purrtail?

That's right, NFC veteran and streamer extraordinaire Isaac Purrtail is playing Super Animal Royale for your entertainment, so join the stream at 14:00 on Saturday and watch and listen as he shows you how it's done.

Also be sure to not miss out on the special charity stretch goal event at 13:00 the same day, when he'll be playing Mario Kart. In fursuit. One handed. And you get to challenge him, for charity. **(Mickel)**

## Jackbox... With Special Guests!

**Schedule: March 27th, 18:00 - 19:30 (CET)**

What Gaming Gala would be complete without Jackbox? Don't worry, we've got you covered. You have probably played at least some of the various games on offer before: Quiplash is a long-standing party favourite; Tee-KO allows people who can actually draw to lose to a well endowed stick figure; and Joke Boat has produced more than a few fits of uncontrolled silence.

We have invited several special guests to play various Jackbox games, and you can watch it all live on the main stream. You will even be able to join the audience to help decide who is the superior party gamer: JD Puppy, EosFoxx, Paco Panda, or PointedFox? **(Leophan)**
