

## Welcome to NordicFuzzCon!

Is this your first time at a furry convention? If so, we want to give you some tips and advice for what you should expect!

You've probably already seen all the fluffy costumes, the fursuits! These are really cool and exciting but there are a few things to keep in mind when interacting with a fursuiter: One important thing to remember is that fursuits are often very expensive, so please be careful! You also shouldn't try to surprise a fursuiter, as this may

startle them. Furthermore, most of them love hugs, but please ask permission first!

To find out what's going on, we encourage you to read the conbook, download our app, and join our announcement channels on Twitter and Telegram. If you're looking to be social, there are also several Telegram groups, meet and greet-events, and other fun opportunities to find friends. Find out more about these in the conbook!

Finally, you should definitely check out the "So This Is Your First Furry Con?"-panel, where Ethan Staghorn tells you everything you need to know and answers any questions you may have. Other do-not-miss events include the Opening Ceremony, the meet and greet-events, and the Fursuit Parade. There's also plenty more events going on every day!

Now go join the convention and have some fun! **(Timmy)**

## A Load of Waffle

So you're staying at a fine hotel, surrounded by your friends, having a great time, but you feel that there might be something missing? Is there a hole in your heart that can only be filled with a round, warm, gooey pastry dripping with delicious toppings? Because we have a prime solution for that! The hotel's premium waffle station is open daily from 11:00 to satisfy all your urgent waffle needs! Plus, there's an extra-special event called Waffle Wednesday at 15:00 on that day, where we crank up the deliciousness to 11 (and beyond). **(Nostradamus)**

## Fursuit Friendly Dance

Shake your furry butt on the dance floor with plenty of fans to help you feel cool while looking cool.

# SNAPSHOT OF THE YEAR

## Photo Competition

The NFC "Snapshot of the Year" photo competition is back! As you might have noticed, we did ask for submissions for a photo competition before the convention... but what would NFC be without some interactive content! So let's spice things up with our third category: the "Snapshot of the Year". The rules are simple.

1. Pictures submitted must have been taken on location at NFC2019.
2. Cropping/color correction is allowed, but no special effects or compositing.
3. Deadline for submissions is Saturday (March 2nd), 21:00.

### Additional rules and details:

Other than that, the same rules as for the photo competition apply: no adult material, JPEG pictures in high resolution, three submissions per person maximum, and mail them to [photos@nordicfuzzcon.org](mailto:photos@nordicfuzzcon.org) including your badge number. We will use the images on our gallery and maybe for promotional material, so please only submit your pictures if you are comfortable with this. (Atkelar)

## Don't Miss the Small Stuff

In the midst of all the big events, it's easy to overlook the myriad of smaller events which are also taking place.

Looking for some silly fun? Join the *Furpile* in room Juliet on Wednesday at 19 for fluff and fun, or Saturday afternoon's *PowerPoint Karaoke* in the Congress Hall at 13:30.

Do you wish to expand your knowledge on a certain topic? In room Golf on Thursday you can learn all about fursuit animatronics in the *Fur in Motion* panel at 17, and on

Saturday at 18 you can *learn about holiday traditions* around the world in room Foxtrot.

Do you just fancy meeting people? There are several *meet and greet events* happening for various groups and interests, including Steven Universe, vore, Eurovision, and Trans\*.

We highly recommend you take your time to give the program in the conbook a thorough look, where you will find more information on all these events and many others. (Leophan)

## The Door Sign Award

It's NordicFuzzCon again, and we are so excited to see room after room proudly present its inhabitants. Every year we see many creative signs utilizing different styles, mediums, and themes. The winner will receive a diploma at the closing ceremony, and be featured in our Sunday issue along some honourable mentions. (Leophan)

## Howliday Traditions: Gävle Goat

Every winter, the Gävle Goat is erected in Gävle, Sweden – a giant version of the traditional straw-made Yule Goat. It has become famous for being a frequent victim of vandalism, most often arson. Check out the Wikipedia article for a humorous and detailed timeline outlining the security measures taken to secure the goat and how the goat has met its demise through the years. (Miles)
